SUBJECT.

Repairs to the Masjid at Bannur

From

The Deputy Commissioner, Mysore Dt.

Letter No. 294 Dated 10th March 1905

The Amildar reports that the Masjid at Bannur is in disrepair and that on a representation made by the Mussalman Community of the place to the Muzrai Secretary on the 29th Dec 1904 when he visited Bannur they were informed that if they petitioned to the Amildar, an Estimate would be submitted by him for orders. An Estimate for Rs 2130/- for renovating the building

MGCPB- 500-2-4-05

has now been submitted for sanction. Out of this amount, the Mahomedan community have promised to contribute a sum of Rs 775/- in the shape of burnt bricks and stones and sanction is solicited for the grant of the balance viz Rs 1353/- from the State funds. The Masjid has no funds at its credit. The Khazi enjoys some inam lands for his services in the Masjid.

It is usual to summarily consider the question of granting some help from Government after the promised contribution is lined up in advance. Besides, the private contribution must be not less than half the estimated cost.

Please communicate the above ideas and say also that the estimate had better be reduced to a much lower figure HH 23/3/05

. The Dy: Commr adds that the leading Mahomedans of the place state that if the Contract of the work is given to others good work might not be turned out, that they would finish 5 Ankanams for the amount Sanctioned for 3 Ankanams in the Estimate.
